Chris Musgnug - ccmusgnug@fcps.edu

Share helpful tips to support student organization in the Distance Learning Environment.

Share information and strategies to support mental health wellness.

Highlight opportunities for students to engage in additional opportunities in the Distance Learning Environment.

Questions?

Please use the chat to write questions. We will collect the questions and answer them at the end of the session.

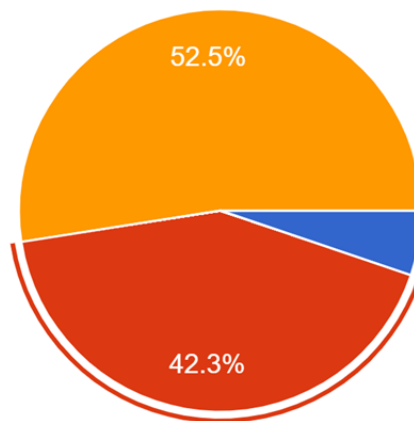

Student Needs Assessment

442 responses (66% seventh graders, 33% eighth graders)

How are you doing keeping up with assignments during Distance Learning?

442 responses

- I'm confused and having a hard time completing work.
- I'm doing okay completing some of my work, but I could be doing better.
- I'm fine and getting my work done on time.

Distance Learning Challenges & Supports

Top 3 Academic Challenges:

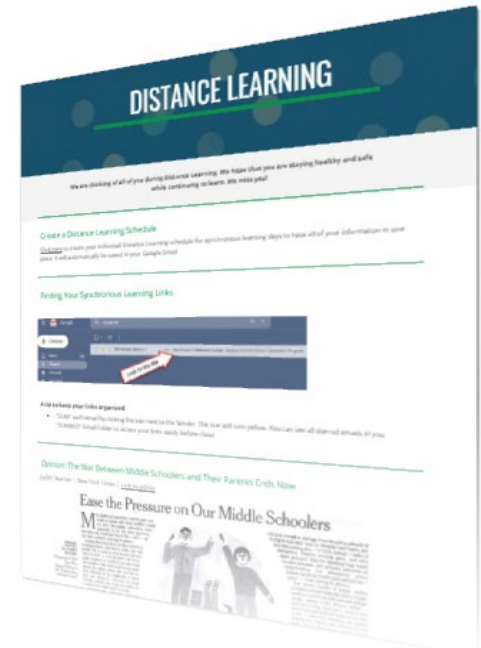

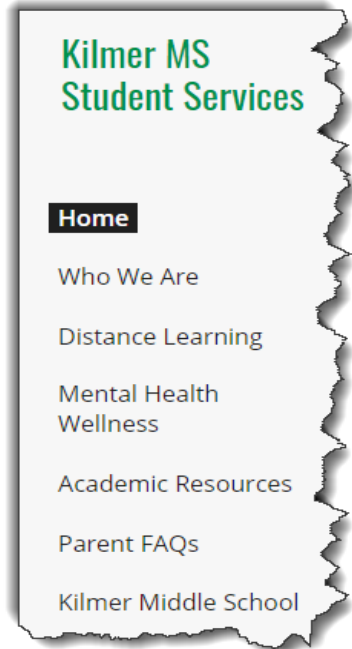

1. Distractions and other responsibilities (59%)
