

Course Registration Timeline for Rising 7th Grade Students

January 22, 2025

Virtual Rising 7th Grade General Information Session

- Time: 5:00 PM
- Session Overview: This session introduces students and parents to Kilmer Middle School and provides an overview of the curricular options for the 2025-2026 school year.
- Note: This session will be recorded and made available for later viewing.

January 23, 2025

Rising 7th Grade Curriculum Night Open House

- Time: 5:00 - 7:00 PM
- Event Details: Parents and students are invited to explore Kilmer Middle School, learn about course offerings, and meet staff members.

February 3-12, 2025

Course Selection Support at Feeder Elementary Schools

- Kilmer Middle School counselors will visit each feeder elementary school to assist 6th-grade students with selecting their 7th-grade courses.
- Students will have the opportunity to ask questions about their transition to middle school and gain a better understanding of course options.
- Parents are encouraged to review course options with their child and seek feedback from their child's 6th-grade teachers to help select courses that align with academic strengths and interests.

Post-Course Selection

- After course selections are entered, students and parents can view them in SIS StudentVUE and ParentVUE.
- Directions to view [Online Course Requests](#)

- If parents have questions about their child's course requests, they should contact their elementary school counselor.

Contact Information

- After March 1, please direct questions to the Kilmer Middle School Student Services Office by calling [\(703\) 846-8806](tel:7038468806).

Important Note:

Course requests are a firm commitment. Changes to course selections will **not** be accommodated after **June 1, 2025**.

Academic Advising Timeline for Rising 8th Grade Students (Current 7th Graders)

January 30, 2025

Rising 8th Grade Algebra Night

- Time: 5:00 pm in the Kilmer cafeteria
- Event Details: During this information session, the Kilmer Math Department will discuss the mathematics pathways available next school year for current seventh-grade students.
- The event will include information about all eighth-grade math classes, summer opportunities, and the opportunity to ask questions and speak directly with Kilmer's math teachers. All families are encouraged to attend.

February 3-7, 2025

Course Kick-Off

- Students will be introduced to 8th-grade course options.
- Topics include the differences between general education and honors courses, course expectations, content-specific information, and elective options.
- Students are encouraged to seek feedback from their teachers to help them select courses that align with their academic strengths and abilities.
- During learning seminar, students will enter their 8th-grade course selections into StudentVUE.

February - March 2025

Course Selection and Academic Advising

- Each student will have a one-on-one academic advising session with their school counselor to finalize their course selections in SIS StudentVUE for the 2025-2026 school year.
- During academic advising, students will reflect on their options and consider enrolling in honors courses that match their strengths and interests, while balancing workload and extracurricular activities.

Post-Advising

- After meeting with their school counselor, students and parents can view course selections in SIS StudentVUE and ParentVUE.
- Directions to view [Online Course Requests](#)
- If students or parents have questions about course requests, they should contact their school counselor.

Important Note:

Course requests are a firm commitment. Changes to course selections will **not** be accommodated after **June 1, 2025**.

Academic Advising Timeline for Rising 9th Grade Students (Current 8th Graders)
