

Schoology Parent Presentation

November 16, 2020

7:00 PM

TODAY WE WILL:

- Look at parent access to Schoology
- Get clarity around gradebooks (Schoology vs. SIS)
- Review tracking and submitting assignments
- Learn more about the Schoology calendar
- Review how to contact teachers

“ Upon the subject of education ... I can only say that I view it as the most important subject which we as a people may be engaged in.

Abraham Lincoln

SIS Gradebook

- The SIS gradebook is the gradebook of record.
- Assignments included in the SIS gradebook may include:
 - Assignments from Schoology
 - Assessments from other platforms such as Horizon, FlipGrid, EdPuzzle, Google Forms etc.

What is formative assessment?

- Teachers often use formative assessment with students on a daily or weekly basis.
- Formative assessment is designed to inform students and teachers of where students currently are on the path to learning.
- Formative assessments often provide feedback to show students their progress, but not counted in the gradebook, as there is still time for them to master content.

Schoology Gradebook

- All assignments and assessments created in Schoology are automatically added to the Schoology gradebook.
- These may include formative assessments that will not count towards the grade, so they are not included in the SIS gradebook.
- The Schoology gradebook may not include assessments from other learning platforms.

3. ASSIGNMENTS IN SCHOODOLOGY

Three types of assignments

1. The teacher assigns a Google file, and each student gets an editable copy that is automatically shared with the teacher.
2. The teacher assigns a task that asks students to create and upload some sort of file.
3. The teacher assigns something to do outside of Schoology, there is nothing to submit in Schoology.

Type 1: Students click on My Document to edit the file

Assignment Type One - Everyone gets their own copy of a Google document

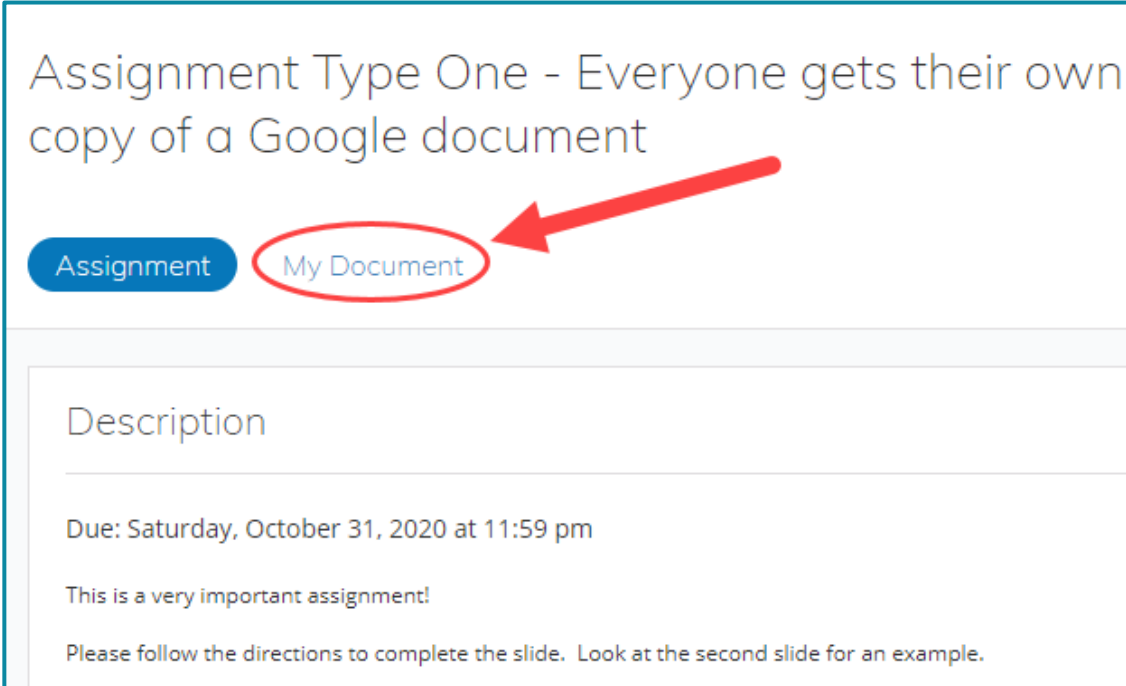

Assignment **My Document**

Description

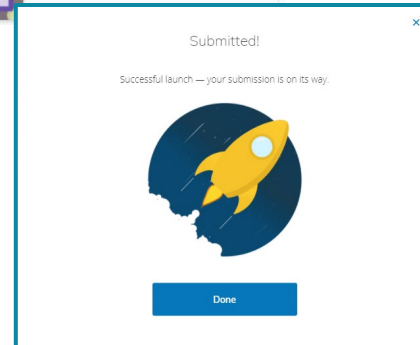

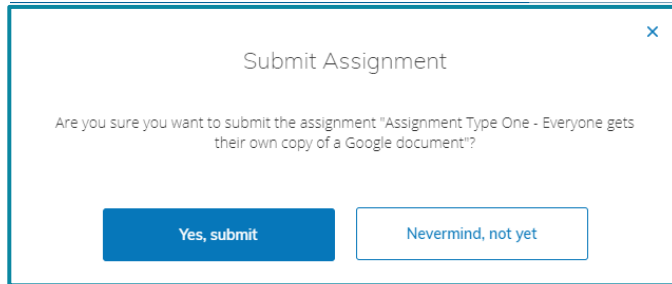

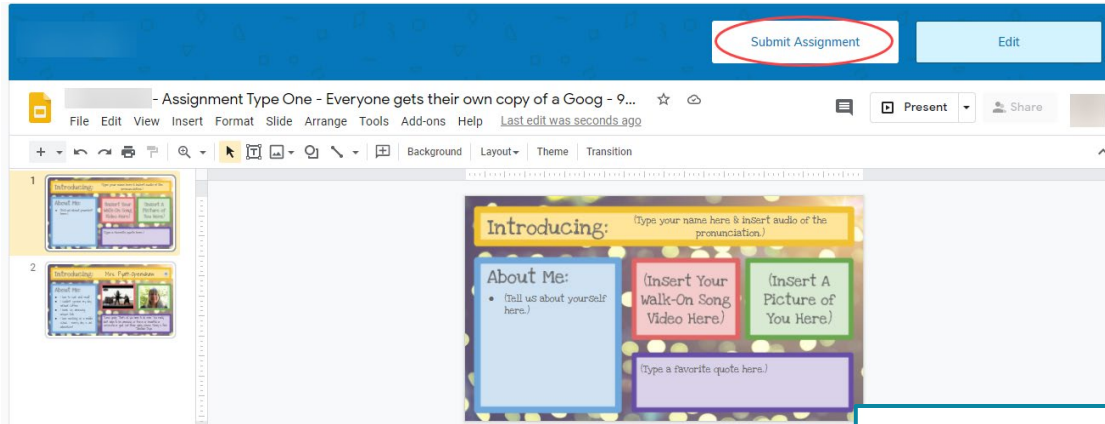

Due: Saturday, October 31, 2020 at 11:59 pm

This is a very important assignment!

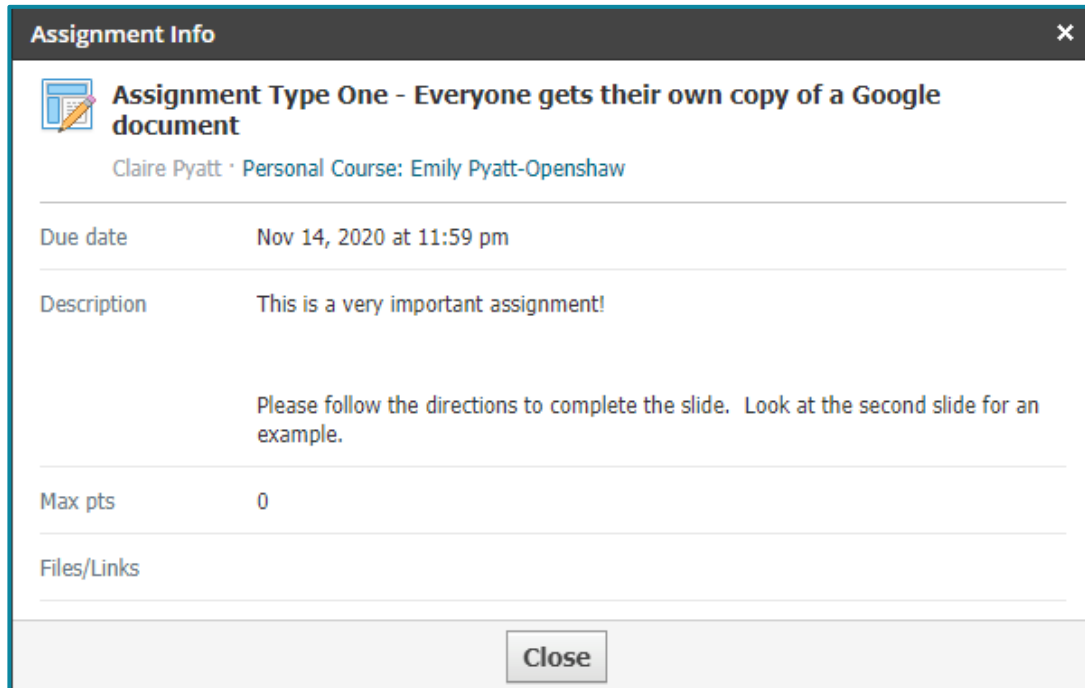

Please follow the directions to complete the slide. Look at the second slide for an example.

A screenshot of a digital learning interface. At the top, the text reads "Assignment Type One - Everyone gets their own copy of a Google document". Below this, there are two buttons: "Assignment" and "My Document". The "My Document" button is circled in red, and a red arrow points to it from the right. Below the buttons is a section titled "Description" which contains the following text: "Due: Saturday, October 31, 2020 at 11:59 pm", "This is a very important assignment!", and "Please follow the directions to complete the slide. Look at the second slide for an example."

When complete, students click Submit Assignment

Type 1: Parent view from calendar

The image shows a dialog box titled "Assignment Info" with a close button (X) in the top right corner. The dialog contains the following information:
